Special meeting called by Reiss on  
the back steps of ball diamonds.

He asked if any prices were gotten  
on pipe, he had a price of 1.20 per foot  
which was to high. I had two places  
that I wanted to check but nobody answered.

Soe had one that he wanted to check.  
The boys were told that they could go  
a head with there things to play ball,  
as time is getting short.

Bill Parant's asked for one site to  
play ball under lights, no trouble.
